

IWOCL 2017 Toronto call for talks and posters is open

The fifth International Workshop on OpenCL (IWOCL) will be held on 16-18 May 2017 in Toronto, Canada. The event kicks-off with a full-day Advanced Hands-On OpenCL tutorial which is followed by two-days of conference: keynotes, academic papers, technical presentations, tutorials, poster sessions and table-top demonstrations.

IWOCL 2017 Call for Submission Now Open - [Submit your abstract here](#). Deadline is beginning of February, so better submit the coming month!

Call for IWOCL 2017 Annual Sponsors is also open. For that [contact the IWOCL organisation via this webform](#).

Every year there have been unique conversations having real influence on the OpenCL standard, and we heard real-life development experience during various talks. If you missed the real technical talks at certain other GPU conferences, then IWOCL is where you should go.
