

IWOCL 2017 slides and proceedings now available

A month ago IWOCL (OpenCL workshop) and DHPCC++ (C++ for GPUs) took place. Meanwhile many slides and posters have been [published online](#). As of today 23 talks are with slides.

The [proceedings](#) are available via the ACM Digital Library. This needs a ACM Digital Library subscription of \$198, if your company/university does not have access yet.

IWOCL 2018 will be in Edinburgh (Scotland, UK), 15-17 May 2018 (provisional).
