

Meet Vincent in Bay Area between 11 and 16 August

Our managing director, [Vincent Hindriksen](#), is in San Francisco's Bay Area from Saturday 11th up to Thursday 16th of August 2018. He'll be visiting existing customers, but there is time left.

Current schedule (excluding several unconfirmed meetings):

- Saturday: social meetups
- Monday: full
- Tuesday: all day good availability,
- Wednesday: all day good availability
- Thursday: morning good availability

Do you want to learn more about GPUs and how we can help you get there? Get in touch via our [contact-page](#), and tell us address and time when you want to meet.

If you seek a job in GPUs, also get in contact! Stream HPC is growing quickly now, and a good moment to onboard and still make a difference. For job-talks also the evenings are available.
